GCC Kids Sing

Sunday, April 23, 10:30am

The little ones from the Geneva Children’s Center Preschool will be singing in the 10:30am worship service. If you have yet to experience this cornucopia of cuteness, you won’t want to miss it.

Mariachi Nayar joins us Easter Sunday as Christians around the world celebrate the risen Lord.

Christ died for all!

A message from the Rev. Dr. Steven M. Marsh

On Easter Sunday we join with Christians around the world to celebrate the impossible: the resurrection from the dead of our Savior, Jesus Christ! As a congregation we’ll sing hymns and the choir will raise their voices to celebrate our risen Lord.

This year, we welcome Mariachi Nayar to join us, emphasizing the all-inclusive, all-embracing nature of the celebration. Christ was risen to conquer death for all!! The Worship Celebration team is excited, as am I, to see how our nearest international neighbors express the joy of the resurrection through music.

On an entirely different note, your officers, the Elders and Deacons of Geneva, had two Retreats recently to discuss strategic initiatives and action items that could facilitate increased unity in our congregational experience.

‘It’s a new day! Connect!’ is a short phrase with a gigantic message, that *connecting* – people to people, people to mission, people to God – better equips us to understand each other, to identify and reach out

New Sermon Series

April 9 - May 28

Easter Sunday, Pastor Steve begins the sermon series *Rebirth: Ongoing Conversion*. Join us for worship at 10:30am in the Sanctuary or view the live stream at genevapres.org. Referenced scriptures for each sermon in the series may be found at genevapres.org/currentsermonseries.

Thank You!

The live stream of our 10:30am service enables people worshipping online to enjoy the same experience as those worshipping in person. It takes additional human resources to make this happen. Thank you to Geneva youth volunteers **Noah Morehouse** and **Iliana Compos** for stepping up in April to assist in the process. Anyone can be trained to volunteer for this ministry. It's not difficult, we promise! Contact Worship Celebration elder Kwangho Seo at kseo1948@gmail.com if you are interested in becoming a part of the team.

to those who need help within and outside of our doors, and to help us determine and fulfill the purpose the Lord has for us.

What can we do as a church to better connect? Ideas may range from creating new programs and ministries, to implementing smaller changes. One example is the new "Connection" time introduced in worship recently encouraging the congregation to shake the hand of someone new. I have received feedback that this little nudge has had amazingly positive reverberations throughout the congregation.

Our elders and leadership teams have been tasked to come up with additional ways for the congregation to better connect. You may be approached by a member of leadership for your ideas and input. We look forward to receiving your feedback.

You will be hearing more about our new focus on building better relationships and how we CONNECT throughout the days, weeks, and years ahead. In the meantime, let's all work on expanding and strengthening our relationships. **'It's a new day! Connect!'**

On the journey of Christian discipleship and connecting with you, I remain faithfully yours,

The Rev. Dr. Steven M. Marsh, D.Min.
Pastor/Head of Staff

Pastor Steve's Update on the Pastoral Prayer during Worship

I am thrilled that we are connecting in different ways as a congregation in how we do the Pastoral Prayer and The Lord's Prayer in Worship each week. Whether it is in unison, "Popcorn", taking requests from the congregation, or the traditional way, we are connecting with God and one another in powerful ways. God is good all the time. All the time God is good.

Learning Opportunities

Sunday Morning Adult Classes

Grow and nurture your faith by attending a Sunday morning class at Geneva. Being an intergenerational congregation, classes welcome people of all ages and stages in life. We find that a diverse class providing different perspectives and life experiences makes things much more interesting. Our class offerings:

The Bible Project: Through video, lecture and discussion, the Rev. Ryan Romberg leads participants in an exploration of varying themes in scripture, looking at the Bible as a unified story that leads to Jesus.

Exploring the Bible Together: Led by elder Joanna Capelle, this group discusses the lectionary scriptures which come from the *Feasting on the Word* curriculum, including commentary by a wide variety of theologies and thinkers.

The Network: The *Feasting on the Word* curriculum is also the basis for study for this class. Led by rotating leaders from the group, discussions also veer into how scripture relates to current events.

These classes meet every week at 9am before worship at 10:30am. All newcomers are welcome!

Missional Life Update

Thank You From David Shun

San Joaquin Elementary School (SJES) is a Title I, California Distinguished School in Laguna Hills. Title I is the largest federally funded educational program which provides supplemental funds to assist schools with the highest student concentrations of poverty.

Recognizing we have a Title I school in our own backyard, over the past several years, under the leadership of the Missional Life Ministry Team, Geneva has formed a special partnership with SJES to provide assistance where it is needed. Our relationship has grown into one of trust and mutual respect.

On the next page is an exact reprint of a letter sent to us from school

O'Neill/Boyer Scholarships

Now through **April 30, 2023**, we are accepting applications for O'Neill/Boyer academic scholarships. These financial awards are offered as an extension of the commitment Geneva makes to nurture, care, and guide our youth in the ways of Christ. Scholarships are also available to Genevans returning to school to finish a degree, begin anew, or to pursue an advanced degree or special training. Visit genevapres.org/scholarships for more information and to complete an application.

Pastor Ryan is Principal for a Day

Last month, Pastor Ryan was invited by San Joaquin Elementary School principal, David Shun, to participate in *Principal for a Day*, a program run by the Saddleback Valley Unified School District.

As Principal for a Day, Pastor Ryan toured classrooms and observed teachers in action, met students and generally got a taste of what Principal Shun does on a daily basis.

We are always asking for ways we can help the cheetah students. Right now they need people to come in and read to children. Email Pastor Ryan at rromborg@genevapres.org if you're interested in serving as a reader or helping in a classroom, or call the church office.

principal, David Shun, demonstrating what can be accomplished when we reach out in love to a neighbor in need. We thought you would all like to read it as it addressed to the entire church which supports, through your giving, this special relationship.

To Pastor Ryan and Geneva Presbyterian Church,

San Joaquin Elementary School sincerely thanks you for your sincere generosity and unwavering support since adopting us as your school. Through your efforts, we've been able to establish, maintain, and continue to access a wide variety of student-centered resources and supports.

One of our greatest additions has been the Cheetah Den, the San Joaquin Wellness Center, where students can go to help self-regulate or re-regulate their feelings and outlook as well as to just find a quiet place to rest and relax before returning to class. Last year, we were able to resurrect our raised garden bed and the students found joy in gardening flowers, plants, and vegetables.

In addition, as we continue to evolve our Media Center (Library) to be more culturally reflective and inclusive, we've been able to not only add a variety of new reading materials that further represent our community, but we've also been able to transform the library into a student friendly place to read and explore with flexible furniture options and features.

We are also very grateful for the donation of 6th grade specific Spirit Wear to help boost our 6th grade students' school spirit and to provide them with a special San Joaquin 6th grade promoting class keepsake. Finally, we cannot thank you enough for your invitation to join Geneva's Alternative Market Place donation drive where your congregation helped our school raise funds that will be used for our library, supporting our PAWS positive behavior expectation support program, and for providing our students scholarships.

As a Title I school, many of our students grapple with a variety of challenges including financial hardships. Through your generosity, we are able to provide multiple layers of support for all our students and as a result, we can see joy and excitement resounding in our students and our staff.

Sincerely,

David Shun

For all those Genevans who have served our Cheetah friends in any way, through either time or treasure, we thank you and hope you will continue to help us support our adopted school family.

Our Church Prayer

Identity forming God, experiencing ongoing rebirth (conversion) with you is essential for our ongoing discovery of the identity we have in and through Jesus. May we understand being born again in a new and deeper way. In this way we live as your children being honest, open, and real, encouraging others in words and deeds to discover and experience your hope, peace, joy, and love. In the identity we have in Jesus we pray, Amen
