If dementia or Alzheimer's has touched your world, we invite you to attend three free educational offerings presented by Alzheimer's Orange County and hosted by Geneva Presbyterian Church. Topics include:

Are You Good to Go?

Have you had the important conversations with your loved ones necessary to ensure they know your wishes in the event of serious or terminal illness? Planning for serious illness provides a gift of peace of mind for you, and those you love. This program will discuss how you can anticipate and identify your wishes, ensure those wishes are honored, and start the often-difficult conversations with loved ones.
