

# Alzheimer's disease, healthy brain aging, and the importance of research participation

Presented by **UCI MIND**

## WHO WE ARE

- NIH designated Alzheimer's Disease Research Center
- Goal to advance the treatment, prevention, diagnosis and care for Alzheimer's disease through research
- An education resource for the community

A team from the UCI Institute for Memory Impairments and Neurological Disorders (UCI MIND) will discuss how to implement healthy lifestyle practices to protect the brain as we age and reduce risk for memory problems later in life.

**JOIN US**

Saturday 10/12/2024

9:30 AM-10:30 AM

Geneva Presbyterian Church- Simpson Hall  
24301 El Toro Rd, Laguna Woods, CA 92637
